EXPERIENCE

Sanarpar IT Institute - Instructor
Siddhirganj, Narayanganj
01-03-2021- 30-06-2023

As a web technology trainer, I specialize in web design, MERN Stack development, and WordPress Theme Customization. Through hands-on training, I guide learners in creating visually appealing interfaces and mastering MERN technologies. My role extends to troubleshooting system applications, enhancing productivity. Join my programs to accelerate your web development journey.

PMBD IT - Instructor
Siddhirganj- Narayanganj
01-01-2019 to 31-12-2020

I underwent technical training, focusing on providing instructions for troubleshooting system applications to enhance productivity and minimize downtime. Additionally, I was responsible for WordPress theme customization to meet specific requirements.
